'Celebrate my work' **Reception - Year 6**

Dear Parents

We would like to invite you to spend some time with your child, in their classroom, looking through their books. The children are so proud of the work they have produced since the start of the year and would love the opportunity to sit with you and share their success.

The date and times to sign up to are as follows:

Tuesday 28th February - 9.00 am - 9.30am
2.30pm - 3.00pm

To allow bookings to be made via School cloud, 2 minute slots have been allocated but please be aware that you are able to use the full half hour, particularly if you have siblings and need to visit different classes. There will only be 15 slots allocated to each session to enable enough space in the classrooms for parents to sit with their child. Sign up is available immediately.

Please visit <https://saintbernadette.schoolcloud.co.uk/> to book your appointment.

A guide on how to add appointments can be found on:

<https://support.parentseveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

You will need to login with the following information:

- Your contact details and the email address you have registered with the school
- Your child's name and date of birth

If you have siblings across different year groups, you will be able to make appointments for all the children once you are logged in.

If you do not have access to the internet, please contact the school office who will be happy to add appointments on your behalf. We are also now able to add another person to your call if both parents/carers are not going to be together at the same time so if you do require this option, please get in touch with the office so that it can be arranged.

Kind regards

S Lavelle-Murphy J Reilly
