

My weekend

Saturday

This is all about my weekend at home. On Saturday I woke up at 07:00 to start my day. So I turned on my little lamp so I could see. I then put on my slippers and dressing gown and went into Oliver's room to see if he was awake. He was awake. We got a book and flicked through it until 7:30. At 7:30 we both played Super Mario maker 2 until 8:20. At 8:20 we went down for breakfast. For breakfast we had bran flakes. After that Noah came down. Noah was very angry that he pushed me!. After breakfast we played with Noah for a little while. After that we got ready to go outside. When we went outside Oliver and I had to pick up the stones on the grass so our dad could cut the grass. After that we played outside with Noah until lunch. For lunch we had a cheese sandwich. We then went shopping to get Animal crossing new horizons. When we went home and helped make dinner and ate dinner. After that we got ready for bed and went off to bed.
